

**Turayeva Sadoqat Solijon qizi**  
Pharmacist of Uzbekistan, Samarqand city

You are redeemer in country of ours  
You are in our soul, tongue who begs cure  
You have the name pill pusher on your shoulders  
You are generation corresponding to Avicenna sure.

### **REFRAIN**

We are happy if we feel duty country of ours  
We are happy if we find cure to our human beings.

You are power for all sorrow for all illness  
You are brilliance for all girls for all children.  
You have response for motherland invitations  
Hippocratic oath can be sung in all tongue at all.

Let's flourish any trees in our soil  
Let's lighten the way chosen by our leader.  
It's a great luck to live safe in our mother soul  
Let's stay free and prosperous forever.
